

NORTH KENT CANINE HYDROTHERAPY

**Located inside
The Meopham
Veterinary Hospital**

OUTPATIENTS WELCOME

**Run by fully qualified
hydrotherapists**

COMMON CONDITIONS WHERE HYDROTHERAPY CAN HELP

- Pre & post-operative rehabilitation e.g. TPLO/Hip Replacement, Patella Luxation Surgery, Fracture Repair & Spinal Surgery
- Hip & Elbow Dysplasia
- Osteoarthritis
- Cruciate injuries
- Spinal conditions
- Obesity
- Degenerative myelopathy

**DISCOUNTS AVAILABLE
WHEN PURCHASING A
BLOCK OF 10 SESSIONS**

BENEFITS INCLUDE:

- PAIN RELIEF
- INCREASED RANGE OF MOTION IN JOINTS
- AID IN POST OP RECOVERY FOLLOWING ORTHOPAEDIC PROCEDURES
- ASSIST WITH WEIGHT LOSS
- JUST FOR FUN!

How does it help?

- Water buoyancy=as this reduces weight bearing it alleviates pressure on the surgical limb
- Increases resistance=to help build up muscle/strength
- Therapeutic heat=increases blood flow and relaxes muscle spasms
- Hydro static pressure=increases blood flow and lymphatic drainage which in turn reduces swelling and inflammation

**OUR HYDROTHERAPY
TREADMILL IS AN
EXCELLENT TOOL FOR
BOTH PRE & POST
OPERATIVE USE AS
WELL AS WEIGHT
LOSS OR JUST FOR
FUN!**

EASILY ACCESSIBLE FROM
BOTH THE M20 AND THE
A2. ONLY 20MINS FROM
BLUEWATER.
